

Competition Format 2019 - 2020

These rules will apply to all VCC competitions in the club year 2019/2020:

1. There will be seven competitions in the club year. These competitions will be the first Mondays of the following months: October, November, December, February, March, April, May.
2. The club will have only projected image categories - there will be no prints.
3. The competition categories will be the same as for the N4C competitions in the same month -- with one exception, namely that the December VCC competition will have the same categories as the January N4C competition.
4. Members will be limited to a total of no more than three entries, with no more than two in the same category.
5. Competitions will open for entries on the Friday evening 17 days before the competition, and will close at 2pm on the day before the competition.
6. The competition meeting will start at 7:00 pm.
7. When the critique round is complete there will be a second break while the judging is completed. Club members are asked to use only the rear of the room during this break so that the judge is not crowded.
8. After the judging, the winners and placers will be shown. Individual makers will stand as their entries are recognized.
